24/7 Nurseline — Around-the-Clock, Toll-Free Support (PPO Members Only)

The 24/7 Nurseline can help you figure out if you should call your doctor, go to the ER or treat the problem yourself.

Health concerns don't always follow a 9-to-5 schedule. Fortunately, registered nurses are on call at **800.299.0274** to answer your health questions, wherever you may be, 24 hours a day, 7 days a week.

Note: For medical emergencies, call 911 or your local emergency service first.

Teladoc Diabetes and Hypertension Management (only available to PPO members)

The Teladoc for Diabetes and Hypertension management programs provide 24/7 personalized coaching, connected blood glucose meter, connected blood pressure monitor and an app to help manage chronic conditions. Services are covered as preventative with no out-of-pocket costs to members. The program is provided to all PPO members as well as covered family members with diabetes or hypertension. - Help you schedule your appointment
- Tell you about online educational tools

Call **800.458.6024** before your next procedure!

BCBS Member Rewards (PPO and HDHP w/HSA plans only)

- Compare costs and quality for numerous procedures
- Estimate out-of-pocket costs
- Assist in making treatment decisions with their doctors

Using this resource to shop for services based on price and location, as well as quality metrics, allows you to earn cash for selecting lower-cost care. The result puts extra cash in your pocket. **Please note, all rewards are taxable to the member.**

Seasons of Life

Seasons of Life is an outreach program that provides personalized claims resolution assistance to members and their families who are dealing with the death of a loved one. Seasons of Life ensures that members and their families have compassionate help when they need it.

Teladoc

Your district offers virtual care, through Teladoc, to you and your dependents enrolled in medical coverage through the district. With Teladoc, members can connect with a doctor in minutes, not hours or days like the ER, urgent care or doctor's office. Plus, you can get care from anywhere in the US: home, office, or on the road!

Teladoc does not replace your primary care physician. It is a convenient and affordable option for quality care:

- When you need care now
- If you're considering the ER or urgent care center for a non-emergency issue
- On a vacation, on a business trip, or away from home
- For short-term prescription refills when medically necessary

Set up your account by going to Teladoc.com, calling **1.800.Teladoc** or downloading the Teladoc mobile app. Once you register your account and complete your medical history, you will have access to speak with a doctor by phone or video on your mobile device, computer, or phone.
